Однако, неизвестными лицами, выступающими анонимно, создана Интернет-страница по адресу: <http://olegvboyko.website/> - где распространены сведения, не соответствующие действительности и порочащие честь, достоинство и деловую репутацию заявителя О.В.Бойко (что подтверждается прилагаемым к настоящему Заявлению Протоколом осмотра доказательств (интернет-страницы

<http://olegyboyko.website/>, составленным и удостоверенным нотариусом г. Москвы С.И.Глуховым, с нотариально удостоверенным переводом – Приложение 1).

Правовое обоснование Заявления

В соответствии со статьей 23 Конституции Российской Федерации каждый имеет право на защиту своей чести и доброго имени.

Предусмотренное статьями 23 и 46 Конституции Российской Федерации право каждого на защиту своей чести и доброго имени, а также установленное статьей 152 Гражданского кодекса Российской Федерации право каждого на судебную защиту чести, достоинства и деловой репутации от распространенных не соответствующих действительности порочащих сведений является необходимым ограничением свободы слова для случаев злоупотребления этими правами.

Иски и заявления в суд по делам данной категории вправе предъявить граждане, которые считают, что о них распространены не соответствующие действительности порочащие сведения.

В соответствии с п. 8 ст. 152 Гражданского кодекса РФ:

«Если установить лицо, распространившее сведения, порочащие честь, достоинство или деловую репутацию гражданина, невозможно, гражданин, в отношении которого такие сведения распространены, вправе обратиться в суд с заявлением о признании распространенных сведений не соответствующими действительности».

При этом в соответствии с абз. 3 п. 2 ППВС от 24.02.2005 г.:

«Судебная защита чести, достоинства и деловой репутации лица, в отношении которого распространены не соответствующие действительности порочащие сведения, не исключается также в случае, когда невозможно установить лицо, распространившее такие сведения (например, при ... распространении сведений в сети Интернет лицом, которое невозможно идентифицировать). В соответствии с пунктом 6 статьи 152 Гражданского кодекса Российской Федерации суд в указанном случае вправе по заявлению заинтересованного лица признать распространенные в отношении него сведения не соответствующими действительности порочащими сведениями. Такое заявление рассматривается в порядке особого производства (подраздел IV Гражданского процессуального кодекса Российской Федерации)».

В соответствии с ч.ч. 1 – 2 ст. 262 ГПК РФ в порядке особого производства суд рассматривает как дела, указанные в пунктах 1 – 11 ч. 1 ст. 262 ГПК РФ, так и другие дела, отнесенные федеральными законами к рассмотрению в порядке особого производства. В данном случае такой нормой федерального закона, относящей данное дело к рассмотрению в порядке особого производства, является

вышеуказанное положение п. 8 ст. 152 Гражданского кодекса РФ (в том числе с учетом соответствующего разъяснения в абз. 3 п. 2 ППВС от 24.02.2005 г.).

В соответствии с вышеуказанными разъяснениями Пленума Верховного Суда Российской Федерации **не соответствующими действительности** сведениями являются утверждения о фактах или событиях, которые не имели места в реальности во время, к которому относятся оспариваемые сведения (абз. 4 п. 7 ППВС от 24.02.2005 г.).

Порочащими, в частности, являются сведения, содержащие утверждения о нарушении гражданином действующего законодательства, совершении нечестного поступка, неправильном, неэтичном поведении в личной, общественной или политической жизни, недобросовестности при осуществлении производственно-хозяйственной и предпринимательской деятельности, нарушении деловой этики или обычаяев делового оборота, которые умаляют честь и достоинство гражданина или деловую репутацию гражданина (абз. 5 п. 7 ППВС от 24.02.2005 г.).

Под **распространением сведений**, порочащих честь, достоинство и деловую репутацию граждан, следует понимать опубликование таких сведений в печати, трансляцию по радио и телевидению, **распространение в сети Интернет** (абз. 2 п. 7 ППВС от 24.02.2005 г.).

Из содержания данного сайта невозможно установить лицо, распространившее размещенные на нем сведения.

Не соответствующие действительности порочащие сведения, распространенные именно в отношении заявителя О.В.Бойко.

На вышеуказанном Интернет-сайте <http://olegboyko.website/> распространены, в частности, следующие порочащие сведения в отношении Заявителя О.В.Бойко, не соответствующие действительности:

1. «*В течение всего этого периода прослеживаются два очевидных момента. Первый – его постоянная склонность быть вовлеченным в незаконную деятельность – в основном финансовые преступления, которая ничуть не уменьшилась со временем*» (раздел А, стр. 1 нотариально заверенного перевода Интернет-страницы – Приложение 1).

2. «*Его основной корпоративный актив, ОЛБИ, насчитывающий около шестидесяти компаний, был вовлечен в финансовые преступления с использованием схем Понци (*финансовая пирамида), предпринятым «ОЛБИ-Дипломат», а также занимался отмыванием денег*» (раздел А, стр. 1).

3. «*Крах банка и раскрытие схем Понци привели к возбуждению уголовного дела против Бойко и связанных с ним лиц....обвинение против Бойко остается в его личном деле*» (раздел А, стр. 2).

4. «Бойко занимался рейдерскими захватами, будучи председателем и акционером Евразхолдинга (с 1998 по 2004)» (раздел А, стр. 2).

5. «Бойко, банк «Национальный Кредит», и его компания OLBI-USA участвовали в отмывании более ста миллионов долларов, полученных мошенническим путём, что привело к краху Бангкокского коммерческого банка в 1994-м. Это в свою очередь привело к возникновению азиатского финансового кризиса в 1998 году» (раздел А, стр. 2)..

6. «Бойко занимался корпоративным рейдерством в США в отношении игорной компании «Cadillac Jack» (раздел А, стр. 2)

7. «Участие Бойко в финансировании голливудских фильмов является отмыванием денег» (раздел А, стр. 2).

8. «...Заявление особенно иронично, учитывая финансовые мошенничества и отмывание денег, которыми Бойко занимался в то время в то время с ОЛБИ и банком «Национальный кредит»» (раздел В7, стр. 8 – 9).

9. «Бойко и Абрамов вместе организовали захват Нижнегородского Тагила, приведя его в состояние банкротства, а затем захватив контроль над предприятием; типичный для России прием корпоративного рейдерства с использованием коррумпированных судов. В дальнейшем Абрамов и Бойко повторили эту схему еще с несколькими предприятиями» (раздел С1, стр. 10).

10. «Будучи директором ОАО «ОЛБИ-Дипломат» Бойко О.В. подписал с генеральным Горшковым договор на покупку и продажу ценных бумаг из чекового инвестиционного фонда «Хранитель». По условиям договора Горшков приобретал акции «ОЛБИ-Дипломат» и с этой целью Бойко получил от Горшкова деньги. Однако сделал он это обманным путем» (раздел С3, стр. 13).

11. «Инвестиции Бойко в фильмы Голливуда через Finstar также являются явным отмыванием денег» (раздел С6, стр. 17).

Приведенные выше фрагменты №№ 1, 2, 3, 5, 7, 8, 9, 11 содержат прямые утверждения о нарушении Заявителем О.В.Бойко действующего законодательства и совершении преступлений – что полностью соответствует критерию отнесения распространенных сведений о Заявителе к порочащим в соответствии с п. абз. 5 п. 7 ППВС от 24.02.2005 г.

Приведенные выше фрагменты №№ 4, 6, 10 содержат утверждения о недобросовестности Заявителя О.В.Бойко при осуществлении производственно-хозяйственной и предпринимательской деятельности, нарушении деловой этики и обычаев делового оборота – что полностью соответствует критерию отнесения распространенных сведений о заявителе к порочащим в соответствии с п. абз. 5 п. 7 ППВС от 24.02.2005 г.

Необходимо отметить, что приведенными выше оспариваемыми фрагментами текста с Интернет-сайта <http://olegybouko.website/> отнюдь не исчерпываются распространенные на нем в отношении Заводчика О.В.Бойко не соответствующие действительности порочащие сведения. Однако, в настоящем Исковом заявлении приведены наиболее характерные из них.

Приложенные к настоящему Исковому заявлению документы, которые не являются подлинниками либо надлежащим образом заверенными копиями, будут представлены в виде подлинников либо надлежащим образом заверенных копий в судебном заседании либо в ходе подготовки дела к судебному разбирательству.

**Report to Congress Pursuant to Section 241 of the
Countering America's Adversaries Through Sanctions Act of 2017
Regarding Senior Foreign Political Figures and Oligarchs in the Russian Federation
and
Russian Parastatal Entities**

January 29, 2018

Section 241 of the Countering America's Adversaries Through Sanctions Act of 2017 (CAATSA) requires the Secretary of the Treasury, in consultation with the Director of National Intelligence and the Secretary of State, to submit to the appropriate congressional committees 180 days after enactment a detailed report on senior political figures and oligarchs in the Russian Federation (Section 241(a)(1)) and on Russian parastatal entities (Section 241(a)(2)). Pursuant to Section 241(b), the report shall be submitted in an unclassified form but may have a classified annex. This is the unclassified portion of the report.

Section 241(a)(1) – Senior Foreign Political Figures and Oligarchs in the Russian Federation

As required by Section 241(a)(1)(A) of CAATSA, the Department of the Treasury is providing in this unclassified report a list of senior foreign political figures and oligarchs in the Russian Federation, as determined by their closeness to the Russian regime and their net worth. For purposes of this unclassified portion of the report, this determination was made based on objective criteria related to individuals' official position in the case of senior political figures, or a net worth of \$1 billion or more for oligarchs.

To determine the list of senior political figures, the Department of the Treasury considered the definition in CAATSA Section 241(c)(2), which incorporates by reference the definition of "senior foreign political figure" in section 1010.605, title 31 of the Code of Federal Regulations. For purposes of this unclassified portion of the report, such names consist of: i) senior members of the Russian Presidential Administration; ii) members of the Russian Cabinet, Cabinet-rank ministers, and heads of other major executive agencies; iii) other senior political leaders, including the leadership of the State Duma and Federation Council, other members of the Russian Security Council, and senior executives at state-owned enterprises. These individuals are listed in Appendix 1 of this report.

To determine the list of oligarchs, the Department of the Treasury enumerated those individuals who, according to reliable public sources, have an estimated net worth of \$1 billion or more. Those individuals who meet this criterion are listed in Appendix 2 of this report.

The Department of the Treasury is also providing in a classified annex to this report additional information required pursuant to Section 241(a)(1). The classified annex may include individuals who are not included in Appendices 1 and 2 to this unclassified report, and such persons may hold a position below those included in the unclassified report or have a net worth below \$1 billion.

This report has been prepared and provided exclusively in response to Section 241 of CAATSA. It is not a sanctions list, and the inclusion of individuals or entities in this report, its appendices, or its annex does not and in no way should be interpreted to impose sanctions on those individuals or entities. Inclusion in this report also does not constitute the determination by any agency that any of those individuals or entities meet the criteria for designation under any sanctions program. Moreover, the inclusion of individuals or entities in this report, its appendices, or its classified annexes does not, in and of itself, imply, give rise to, or create any other restrictions, prohibitions, or limitations on dealings with such persons by either U.S. or foreign persons. Neither does inclusion on the unclassified list indicate that the U.S. Government has information about the individual's involvement in malign activities. Named individuals and entities who are separately subject to sanctions pursuant to sanctions programs established in U.S. law are denoted with an asterisk (*).

Section 241(a)(2) – Russian Parastatal Entities

CAATSA Section 241(a)(2)-(5) requires a report on Russian parastatal entities, including an assessment of their role in the economy of the Russian Federation; an overview of key U.S. economic sectors' exposure to Russian persons and entities; an analysis of the potential effects of imposing additional debt and equity restrictions on parastatal entities; and the possible impact of additional sanctions against oligarchs, senior political figures, and parastatals on the U.S. and Russian economies.

Russian parastatals have origins in the Soviet Union's command economy. After the dissolution of the Soviet Union, the Russian government conducted large-scale privatization of these entities; in the early 2000s, it began to renationalize large companies. The Russian government has responded to economic shocks, including the financial crisis in 2008 and the imposition of sanctions in 2014, by increasing its role in the economy and ownership of parastatals. As of 2016, Russian parastatals accounted for one-third of all jobs in Russia and 70 percent of Russia's GDP.

For purposes of this requirement, Russian parastatals are defined as companies in which state ownership is at least 25 percent and that had 2016 revenues of approximately \$2 billion or more. A list of such parastatals and the required analysis specified in Section 241(a)(2)-(5) are included in the classified annex of this report.

Attorney General George Savvides strongly denied corruption charges on Tuesday after a lawyer accused his office of collaborating with a billionaire Russian oligarch to allow an allegedly illegal \$113.4 million deal go unpunished.

In a lengthy letter to President Nikos Christodoulides, lawyer Efstathios Efstathiou sought to report the AG and his deputy, saying they had “cast a shield of protection” around Russian oligarch Oleg Boyko.

Prompting the complaint is Efstathiou’s claim that \$113.4 million worth of shares were stolen from his client Ilya Alekseevitch Surkov and illegally transferred to Boyko through Cyprus-registered companies.

This was achieved after Boyko allegedly used false representations to illegally transfer all the shares that Orlando Heights Ltd had in Greencat Services Ltd, to one of his own interests Finstroy Ltd, the last two of which are registered in Cyprus.

As such, he ended up holding 80 per cent of the assets Orlando Heights had in Moscow’s Altufievo Mall, without Surkov knowing about it, the lawyer claims.

Nonetheless, criminal charges against Boyko were dropped by the legal service, citing insufficient witness material for a criminal prosecution in Cyprus.

A few million to ‘sort out’ the case

Efstathiou cried foul, saying this went against the public interest. He also filed three separate complaints to the anti-corruption authority.

The authority's head Charis Poyiadjis told the *Cyprus Mail* "we did not find any evidence of corruption."

Efstathiou claimed Boyko said he spent three million in Cyprus to "sort out his case" and therefore had "nothing to be afraid of".

The AG hit back, rubbishing the claims, saying the lawyer was using every means possible to exert pressure that could ultimately lead to decisions that would benefit his client.

Fake representations

The alleged offences took place in 2012.

Efstathiou told the *Cyprus Mail* the two businessmen had a deal allowing shares of 64,000m² of property at the mall to be transferred but 126,000m² ended up being transferred.

This was a result of false representations by Boyko's partner in Cyprus, that convinced the trustee to sign the transfer, he claimed.

International arrest warrant

According to Efstathiou, the oligarch avoided questioning for four years, prompting police to issue a Red Notice international arrest warrant, where Boyko became a wanted man in Cyprus.

Efstathiou claims after the arrest warrant, Boyko sent a team of his lawyers to meet with police and the legal service.

For unknown reasons, the arrest warrant was then scrapped.

The private lawsuit filed by Efstatihou over the case was also suspended following orders by the AG, citing insufficient witness material.

Sketchy background

Both businessmen implicated in the story which Efstatihou described as “the largest in Cyprus’ criminal history” have made headlines across the globe.

Surkov was wanted in Russia for alleged fraud, and is reported to hold a Greek passport. Though he was jailed in Russia, Surkov eventually made it to the UK.

Russian authorities sought to extradite him, however a British court ruled he would be in danger of persecution and as such, was allowed to remain in the UK on political asylum grounds due to humanitarian protection.

Boyko had been sanctioned by Canada and Australia following Russia’s invasion of Ukraine, though Canada lifted the sanctions following a lawsuit.

The US Senate Intelligence Committee reportedly said Boyko had “concerning ties” to the Russian state and criminality.

15
16
17 **DECLARATION OF ALEXEY KONDRATIEV**

18 I, Alexey Kondratiev, hereby declare and swear as follows:

19
20 1. I am an individual residing in King City, Ontario, Canada. I make this
Declaration in support of my response to the motion for Preliminary Injunction that was
21 brought forward by the Plaintiffs.

22
23 2. I graduated from Moscow Aviation Institute, a Russian technical university,
in 1987 with a master's degree in computer science and I have over 35 years of professional
24
25 experience in this field.

26
27 3. Presently, I am a Senior Software Engineer at Advanced Micro Devices, Inc.

28

1 ("AMD") where I have been working full-time since October 16, 2012. AMD is an
2 American multinational corporation and semiconductor company based in Santa Clara,
3 California, that develops computer processors and related technologies for business and
4 consumer markets.
5

6 4. I believe that my training and experience allow me to make the following
7 statements as an expert.
8

9 5. On or about Mach 21, 2024, I received a file named
10 "BOYKO00000963.mbox" amongst other files produced by the Plaintiffs in their response
11 to the Second Request for Production.
12

13 6. I have personally examined this file using computer tools and am qualified
14 to make the following statements regarding this file.
15

16 7. The file "BOYKO00000963.mbox" is a text file with the size of 61.8
17 Megabytes. Any attempt to print this file would yield more than fifteen thousand pages.
18

19 8. Upon visual inspection of this file with a text editor, I can conclude that this
20 file contains meta-data generated by Google from a mailbox that belongs to the account
21 "billyzodiac100@gmail.com".
22

23 9. The file is organized into records that are separated by two empty lines. Each
24 record corresponds to an email message that is stored in the mailbox and has a unique
25 identifier. The records do not contain subject lines or message contents. Instead, the records
26 only contain the "From:" field, the "Reply-to:" field, the date of each message and other
27 meta-data that can identify an email exchange server, spam filters, content language, etc.
28

10. Using computer tools, I counted 19,953 unique message identifiers that

1 correspond to the same number of messages contained in that mailbox. The first message
2 was created on August 11, 2014 and the last message was created on November 9, 2023.
3 The even distribution of the messages across those years is consistent with normal business
4 practices. There were no indications that this mailbox was specifically created for one-time
5 use in order to register a domain in or around 2017.

6
7 11. I searched for the following case-insensitive text strings in a text editor used
8 to open the file for and found no matches for “alexey”, “kondratiev”, “akondratiev”, or
9 “akond”.

10
11 12. I have searched my own computers and found no records matching
12 “billyzodiac100@gmail.com”. To my best knowledge, I have never communicated with
13 this account and am not aware of any person who could be associated with it.

14
15
16 I declare under penalty of perjury under the laws of the United States and the State
17 of Arizona that the foregoing is true and correct.
